Distribution of recoveries by area

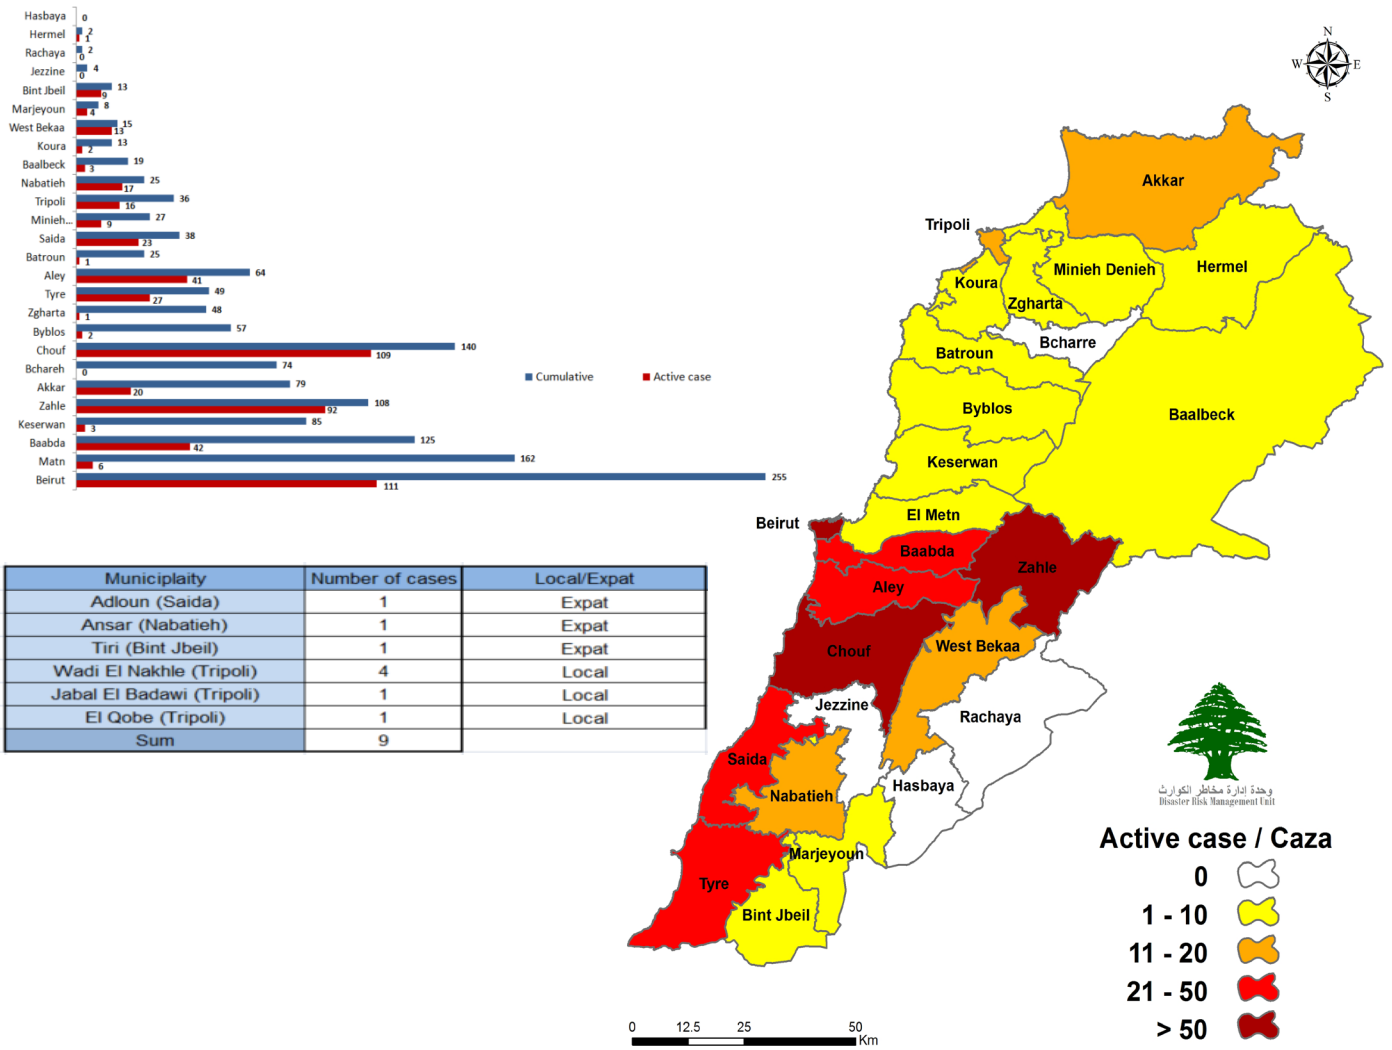

Isolation centers

- The Committee for the Follow up on Coronavirus Preventive Measures and Procedures issued circular No. 452 on 15/6/2020 which included recommendations for preparing and launching quarantine centers in various Lebanese regions . The circular also evaluated the situation of migrant workers and requested that the Ministry of Interior and Municipalities gives the General Security Forces and governors the responsibility of determining locaitons in which migrant workers gather and accordingly, follow up on their situation and take the necessary actions based on the recommendations of UN agencies.
- Begin immediate work on preparing and launching the 18 isolation centers (out of 22) that were designated by the Committee for the Follow up on Coronavirus Preventive Measures and Procedures and agreed on by UN agencies. The Ministry of Interior and Municipality will assign 18 managers for the 18 isolation centers, in coordination with the Committee for the Follow up on Coronavirus Preventive Measures and Procedures. Additionally, UN agencies will submit a report on the level of preparedness of the 18 designated isolation centers to the Committee for the Follow up on Coronavirus Preventive Measures and Procedures.

Governor	Municipality	Number of beds
Beirut	Beirut	70

Number of Cases by Location

Actions Taken at the Governorate and Municipal Level

Isolation centers approved by The Committee for the Follow up on Coronavirus Preventive Measures and Procedures

The committee responsible for specifying potential isolation centers includes an officer from the General Secretariat of the Supreme Council of Defense, a medical doctor in the army, an engineer from the army, and a representative from the Order of Nurses in Lebanon.

The committee aims to inspect possible isolation centers in coordination with the concerned governorates and municipalities.

The National Committee recommended that governors and municipalities should monitor the implementation and operation of refugees' isolation centers that were approved in coordination with the Ministry of Public Health, the Ministry of Social Affairs, the Ministry of Interior and Municipalities, the United Nations High Commissioner for Refugees (UNHCR) and the United Nations Relief and Works Agency for Palestine Refugees (UNRWA) and through following the reference manual for the management of isolation centers that have been circulated by the Ministry of Interior and Municipalities.

Governorate	Number of isolation centers	Number of isolation centers for refugees
Mount Lebanon	17	1
North	2	
South	4	2
Akkar	11	2
Bekaa	10	4
Beirut		1
Total	44	10

Ministry of Foreign Affairs

- The Ministry is coordinating with the National Committee for covid-19, the General Directorate of Civil Aviation and Middle East Airlines, to implement the fourth stage of the return of expatriates from 6/11/2020 to 19/6/2020.
- The Ministry is following up with the Lebanese missions and consulates to organize the nominal regulations for expatriate students with limited financial capabilities who will be provided with financial assistance.
- following up with foreign missions on the departure of their citizens from Lebanon
- the ministry is following up on aids and donations presented by other countries to increase Lebanon's ability to respond to coronavirus
- The Ministry is coordinating with the Ministerial Committee and with the mini-committee representing the National Committee in preparing a study on the appropriate decisions that should be taken to open the airport based on the evolution of the epidemiological curve in Lebanon and the general

mobilization procedures adopted, in addition to the experiences of other countries in this context.

Security services (Internal Security Forces, General Security, State Security, Army, General Directorate of Civil Defense)

- The army:
 - carried out patrols in different Lebanese regions to disperse gatherings
 - distributed food units (CIMIC) in different areas.
 - supported general security forces in isolating municipalities
- General Security Forces followed up on the airport's set regulations for the return of Lebanese expatriates to their homeland and tracked potential cases in various Lebanese regions and ensured that they're adhering to the terms of home isolation. In addition, they conducted patrols in different regions and issued warnings to institutions violating the decision of the council of ministers.
- ISF aided chwayfet municipality in isolating Hay Mariam and barja municipality in isolating 2 buildings.
- ISF issued a number of fines:

fines issued since March 8, 2020		fines issued in the past 24 hours	
3516	/institutions commercial stores	0	/institutions commercial stores
13876	individuals	11	individuals
2131	medical masks since (2020/5/29)	40	medical masks
19523	total	51	total

- The General Directorate of Civil Defense prepared 427 personnel and 69 ambulances, to interfere, when necessary, and transport those infected with the emerging coronavirus. The directorate also carried out sterilization missions in public and private areas that were excluded from the decision to close.
- State Security Forces visited different Lebanese regions and issued fines for a number of shops. The forces also issued a number of warnings and followed up on cases in home isolations.

Ministry of Interior and Municipalities

- The Ministry issued Circular No. 9011 on 06/15/2020 discussing the mechanism for organizing appointments in mechanical centers in order to avoid gatherings. the organization process will follow the instructions specified in circular No. 57 / 2020, which states that cars with an odd number can visit clinics on Mondays, Wednesdays and Fridays, and cars with an even number can visit clinics on Tuesdays, Thursdays and Saturdays.
- The Ministry issued circular No. 57 / 2020 on 14/6/2020 which amends the opening and closing hours of industrial and commercial establishments. all private institutions can now open in their official working hours while applying precautionary measures. the decision restricts amusement parks and Public gardens, children's play centers, nightclubs, games centers, theaters, cinemas, and social halls from opening. the curfew decision remains intact from 12 am to 5 am.
- Implemented the extension of the general mobilization procedures according to the decision of the Council of Ministers. the general mobilization extension begins on 8/6/2020 and will remain active until 5/7/2020.
