Notes:

- The airport: All arrivals through Rafic Hariri International Airport are subject to health and security measures approved in the plan for the return of Lebanese expatriates by the Ministry of Public Health, the General Directorate of General Security and the General Directorate of Civil Aviation.
- Ports: Before allowing any vessel to enter the campus's harbor, the entire crew of the vessel is examined by a device approved by the Ministry of Public Health to ensure that there are no infections.

Ministry of Education and Higher Education

- The Minister of Education and Higher Education announced the cancellation of the 2020 secondary official exams. Students will receive certificates based on specific regulation. Additionally, he announced that schools and specialized centers for people with special needs will be postponed until the further notice. He also announced that the academic year will continue remotely in all vocational and university institutions.

Ministry of Labor

- On May 19, 2020, the Ministry of Labor issued a circular in which it asked the industrial sector to adhere to the guidelines for preserving the health and safety of workers, in line with Decree No. 6198/2020 (public mobilization) and the complementary decisions, particularly the Cabinet's decision No. 1 issued on April 24, 2020 related to the extension of the general mobilization declaration and the adoption of a plan to open sectors in a manner that takes into account the potential risk.
- The Ministry of Labor is discussing with representatives of the Philippine and Bangladeshi embassies the mechanism for organizing the voluntary return of workers of both nationalities to their countries.

Objectives of the National Operations Room

The National Operations Room works on coordinating efforts in order to accomplish the following goals:

- First Objective: Control the spread of the virus through the application of precautionary measures, minimize direct contact among people, and increase awareness of the population and access to information.
- Second Objective: Ensure the continuity of services at the national level and adopt and encourage remote working.
- Third Objective: Increase health sector capacity by continuously assessing available resources, gaps and look for funding and technical assistance to build up capacities and case management.

General Directions and Recommendations

- Implement the decisions issued by the Presidency of the Council of Ministers at the level of public and private institutions and municipalities.
- Stay at home and don't go out unless it is necessary.
- Frequently wash hands and follow all safety measures set by the Ministry of Public Health.
- Avoid crowded places and social contact and commit to a safe distance between individuals.
- Seek medical care if you feel fever, cough and difficulty of breathes. Call the Ministry of Public Health hotline 1214 or 01-594459

Risks that Might Result in the Rapid Spread of the Virus

- Lack of adherence to the medical advisories.
- Disrespecting to compulsory home quarantine.
- The spread of the virus in crowded places.
- Allowing gatherings to take place
