Security services (Internal Security Forces, General Security, State Security, Army, General Directorate of Civil Defense)

- The army closed 174 shops, dispersed 33 public gatherings. The army also supported a number of municipalities in implementing precautionary measures. The army also shared the names of the 123 blocked roads by the municipalities.
- General Security Forces followed up on the airport's set regulations for the return of Lebanese expatriates to their homeland and tracked potential cases in various Lebanese regions and ensured that they're adhering to the terms of home isolation. In addition, they dispersed several gatherings and aided several municipalities in issuing several written warnings to

institutions and individuals that did not adhere to the decisions of the Council of Ministers.

- ISF issued 576 written warnings, of which 329 directed at cars that violated the decision of the Ministry of Interior and Municipalities, 47 warnings were directed at institutions and 200 were directed at individuals who violated the decisions of the Council of Ministers. ISF has so far issued 14,764 written warnings since March 21.
- The General Directorate of Civil Defense carried out 5 transportation missions for dialysis patients to hospitals based on the Minister of Interior and Municipalities Decision No. 479/2020. It also prepared 72 personnel and 16 ambulances, to interfere, when necessary, and transport those infected with the emerging coronavirus. It also trained 300 members to transport infected individuals. The directorate also carried out sterilization missions in public and private areas that were excluded from the decision to close.
- State Security Forces visited different Lebanese regions and closed a number of shops. They also issued 21 written warnings.
-

Ministry of Interior and Municipalities

- The ministry is following up on the issued Decree No. 479 on April 5, 2020, stating the new regulation allowing the mobilization of cars and trucks on specific days of the week according to their number plates.
- Following up on the implementation of the decision to extend the state of public mobilization until 12/4/2020 in accordance with Cabinet Resolution No. 1 dated 3/26/2020.

Ministry of Social Affairs

- In order to help reach the poorest families in Lebanon, the Ministry of Social Affairs is reviewing the regulations for families benefiting from the social emergency plan.
- The Ministry is collecting information about the poorest families across municipalities, to submit them to the Presidency of the Council of Ministers to later on determine the final schedules of beneficiaries of social assistance.

Notes:

- The airport: All arrivals through Rafic Hariri International Airport are subject to health and security measures approved in the plan for the return of Lebanese expatriates by the Ministry of Public Health, the General Directorate of General Security and the General Directorate of Civil Aviation.
- Ports: Before allowing any vessel to enter the campus's harbor, the entire crew of the vessel is examined by a device approved by the Ministry of Public Health to ensure that there are no infections.

Ministry of Labor

The Ministry of Labor issued Circular No. 25/1 on 04/15/2020 related to the health and safety procedures that should be implemented in grocery stores and supermarkets to limit the spread of the new COVID-19 and protect workers.

The Ministry of Labor released Circular No. 26/1 on 04/15/2020 related to the health and safety procedures that should be implemented in industrial institutions to limit the spread of the new COVID-19 and protect workers.

Objectives of the National Operations Room

The National Operations Room works on coordinating efforts in order to accomplish the following goals:

- First Objective: Control the spread of the virus through the application of precautionary measures, minimize direct contact among people, and increase awareness of the population and access to information.
- Second Objective: Ensure the continuity of services at the national level and adopt and encourage remote working.
- Third Objective: Increase health sector capacity by continuously assessing available resources, gaps and look for funding and technical assistance to build up capacities and case management.

General Directions and Recommendations

- Implement the decisions issued by the Presidency of the Council of Ministers at the level of public and private institutions and municipalities.
- Stay at home and don't go out unless it is necessary.
- Frequently wash hands and follow all safety measures set by the Ministry of Public Health.

- Avoid crowded places and social contact and commit to a safe distance between individuals.
- Seek medical care if you feel fever, cough and difficulty of breathes. Call the Ministry of Public Health hotline 1214 or 01-594459

Risks that Might Result in the Rapid Spread of the Virus

- Lack of adherence to the medical advisories.
- Disrespecting to compulsory home quarantine.
- The spread of the virus in crowded places.
- Allowing gatherings to take place
