Examples of lack of adherence of safety measures

- Demonstration, and Roadblocks
- Violations of curfew, and the medical mask decisions
- Failure of commercial stores, supermarkets, and others to comply with the closing hours
- Overcrowding in restaurants and cafes and failure to comply with the permitted number of customers (50%) gatherings in front of banks, money transfer offices and ATM machines without maintaining a safe distance or putting masks
- Gathering of citizens in hiking areas without committing to preventive measures
- Non-compliance of citizens with preventive measures in food markets
- Gathering in cafes
- hookah
- gatherings on beaches and sidewalks without wearing masks.
- social gatherings and celebrations and kids areas

Decisions and actions taken

Ministry of Public Health

- The ministry is following up on issued circular nb 99 on 30/6/2020 stating the specific regulations that should be followed by those arriving to Lebanon starting July 1
- The Ministry is visiting areas where the pandemic has spread to follow up on the implementation of isolation and is following up with Lebanese who have recently returned to Lebanon.
- The ministry supervises all the conducted PCR tests for those who were in contact with positive cases in various government hospitals, at the expense of the ministry in order to determine the epidemiological reality in Lebanon and take the necessary steps.

Lebanese Red Cross

27312 new 259	Number of PCR tests transferred to laboratories	0	Number of additional ambulance centers ready to respond	47	ambulance centers	2382 new 15	cases transferred to hospitals
166	Number of volunteers trained to transfer PCR tests	1444	Number of trained paramedics	8035 new 37	total number of respondents	62456 new 174	number of those benefiting from awareness sessions

Security services (Internal Security Forces, General Security, State Security, Army, General Directorate of Civil Defense)

- The army carried out patrols in different Lebanese regions to disperse gatherings and distributed food units (CIMIC)
- General Security Forces followed up on the airport's set regulations for the return of Lebanese expatriates to their homeland and tracked potential cases in various Lebanese regions and ensured that they're adhering to the terms of home isolation. forces also announced the results of PCR tests of suspected cases and refugees
- ISF issued a number of fines:

total fines issued to those who failed to adhere to the public mobilization decision since 8/3/2020	number of fines issued to individuals who weren't wearing a medical mask (since 29/5/2020)
50035	2832 new 1

- State security forces are following up on suspected and positive cases in home isolation
- The General Directorate of Civil Defense prepared 427 personnel and 69 ambulances, to interfere, when necessary, and transport those infected with the emerging coronavirus. The directorate also carried out sterilization missions in public and private areas and in labs conducting PCR tests.

Ministry of Interior and Municipalities

- The Ministry issued Circular No. 63 / 2020 on 1/7/2020 which cancels the curfew decision and the opening times of industrial and commercial establishments so that all institutions open within the official working hours without exceptions. Nonetheless, institutions should abide by measures of prevention and public safety.

Ministry of Public Works

- Monitoring the application of circulars issued by the General Directorate of Civil Aviation related to the procedures that must be followed by arrivals to Lebanon and those attending the airport, from travelers and workers, starting from 1/7/2020.

Port	entered			left			
	Import	Direction	#	export	Direction	#
