| Sum | 21 | |

Comparison between Lebanon and other countries

| | Lebanon | Internationally |
|-------------------------------|--------------|-------------------|
| Total registered cases | 1740 | 10,111,259 |
| Total deaths | 34 | 501,884 |
| Percentage of deaths | 1.95% | 4.96% |
| Number of recoveries | 1134 | 5,483,914 |

*the above data was last updated at 3.30 pm

| Status of cases | Exposure |
|-----------------|----------|
|-----------------|----------|

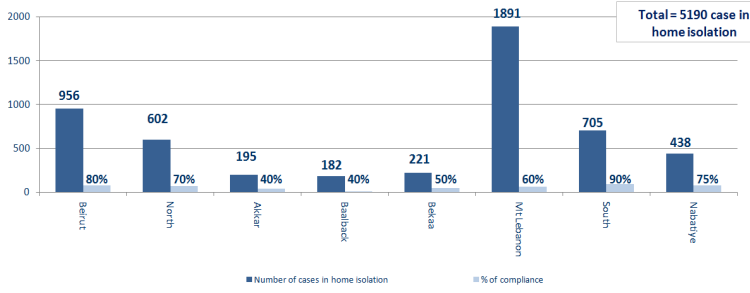

Cases per day

Chronology of decisions according to number of cases

Number of individuals in home isolation and percent- age of commitment to isolation

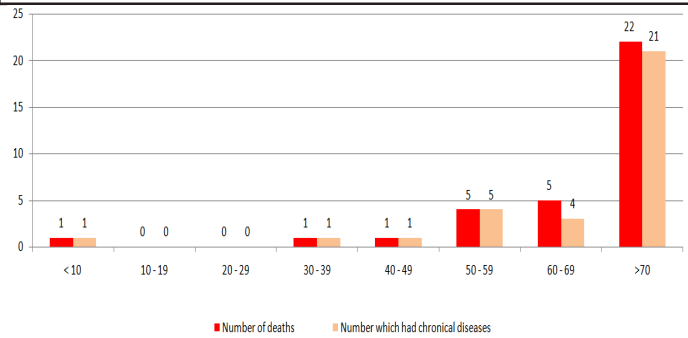

Distribution of recoveries by area

Distribution of deaths by governorates

Distribution of deaths by age

Distribution of cases by age group

Distribution of cases by nationality

Distribution of cases by gender

Examples of lack of adherence of safety measures

- Demonstration, and Roadblocks
- Violations of curfew, and the medical mask decisions
- Failure of commercial stores, supermarkets, and others to comply with the closing hours
- Overcrowding in restaurants and cafes and failure to comply with the permitted number of customers (50%)
- gatherings in front of banks, money transfer offices and ATM machines without maintaining a safe distance or putting masks
- Gathering of citizens in hiking areas without committing to preventive measures
- Non-compliance of citizens with preventive measures in food markets
- Gathering in cafes
- hookah
- gatherings on beaches and sidewalks without wearing masks.
- social gatherings and celebrations

LET'S STAY COMMITTED SO IT IS REMEMBERED BUT NOT REPEATED...

Physical Distancing

Keep a safe distance

Prevention

Hygiene

Adhere to all circulars by the Ministry of Public Health

- ▶ Wear face masks outside the house
- ▶ Avoid touching the face
- ▶ Cover mouth and nose with elbow when coughing or sneezing
- ▶ Wash your hands for at least 20 seconds
- ▶ Sterilize your purchased products before use or storing at home

Decisions and actions taken

Ministry of Public Health

- The ministry continues to support public hospitals through providing them with the necessary medical tools.
- The Ministry is visiting areas where the pandemic has spread to follow up on the implementation of isolation and is following up with Lebanese who have recently returned to Lebanon.
- The ministry supervises all the conducted PCR tests for those who were in contact with positive cases in various government hospitals, at the expense of the ministry in order to determine the epidemiological reality in Lebanon and take the necessary steps.

Lebanese Red Cross

| | | | | | | | |
|------------------|---|-------|---|-----------------|--|-----------------|---|
| 26676 new 312 | Number of PCR tests transferred to laboratories | 0 | Number of additional ambulance centers ready to respond | 37 | ambulance centers | 2329 new 17 | cases transferred to hospitals |
| 166 | Number of volunteers trained to transfer PCR tests | 1444 | Number of trained paramedics | 7906 new 25) | total number of respondents | 62100 new 21 | number of those benefiting from awareness *sessions |

Security services (Internal Security Forces, General Security, State Security, Army, General Directorate of Civil Defense)

- The army carried out patrols in different Lebanese regions to disperse gatherings and distributed food units (CIMIC)
- General Security Forces followed up on the airport's set regulations for the return of Lebanese expatriates to their homeland and tracked potential cases in various Lebanese regions and ensured that they're adhering to the terms of home isolation. forces also announced the municipalities working on isolating buildings.
- ISF also issued a number of fines:

| fines issued since March 8, 2020 | | fines issued in the past 24 hours | |
|----------------------------------|---------------------------------|-----------------------------------|---------------|
| 3520 | institutions | 0 | institutions |
| 13934 | individuals | 0 | individuals |
| 2740 | medical masks since (2020/5/29) | 36 | medical masks |
| 20193 | total | 36 | total |

- State security forces followed up on suspected and positive cases and made sure they're adhering to the necessary precautions and isolation measures. forces also announced the names of municipalities in which the virus is spreading as a result of close contact between suspected cases.
- The General Directorate of Civil Defense prepared 427 personnel and 69 ambulances, to interfere, when necessary, and transport those infected with the emerging coronavirus. The directorate also carried out sterilization missions in public and private areas that were excluded from the decision to close.

Ministry of Interior and Municipalities

- Issued circular No. 58 on 20/6/2020 related to amending the opening and closing times of industrial and commercial

establishments as well as opening all amusement parks and children's playgrounds, under the condition of adhering to the safety measures.

- Implemented the extension of the general mobilization procedures according to the decision of the Council of Ministers. the general mobilization extension begins on 8/6/2020 and will remain active until 5/7/2020.

Ministry of Public Works

- the Ministry of Public Works and Transport and the General Directorate of Civil Aviation issued Circular No. 2/29 on 27/6/2020 to all airlines and ground services companies at Rafic Hariri International Airport on procedures for passengers arriving to Lebanon as of 7/2020.
- issued Circular No. 2/28 on 7/27/2020 including the list of the countries with approved PCR tests.
- Ministry of Public Works and Transport and the Directorate General of Civil Aviation, issued Circular No. 2/31 on 7/27/2020 to all passengers present at the Rafic Hariri International Airport in Beirut and all employees at the airport including the obligation to wear masks for the entire period of their presence at the airport and on the plane, and to abide by the measures of social distancing.
